Barium Messenger

VOL. 35 BARIUM SPRINGS, N. C., JANUARY 1958 No. 1

Superintendent Reports To Board Of Regents

September 30th, 1957, brought to a close twelve interesting months on the campus at Barium Springs. New projects and procedures have been tried and in many instances found to be very helpful. The In-Service Training Program, under the direction of Dr. Keith-Lucas and administered by Mr. Alton Broten, has been of great value to the campus. The enlarged community experiences in the High School at Troutman have been helpful to the boys and girls. The period of change and the necessary adjustments have not yet been concluded and we may yet have some interesting experiences ahead. With the toils, troubles, with the joys and pleasures interwoven, we would have to say that again there is manifold evidence to believe in the goodness of God and His provision for the Barium Family.

The superintendent has been active in the work of the Home and has been participating in the organizations which relate to the Home. He has attended the annual conference of the Presbyterian group which met in Hugo, Oklahoma. Barium is a member of the N. C. Orphanage Conference which holds an annual meeting, and holds membership in the Southeastern Conference. The superintendent has the honor as well as the duty of being the president of this Conference now. The meeting will be held in Charleston, S. C. in March, 1958,—the 25th and 26th. It would be good if some members of the Board could be present for this period of study and discussion.

The superintendent and the staff of the Home have earnestly tried to carry out the policies of the Board. The Board will form its own conclusions as to what should be maintained and pursued and what should be changed or eliminated. If we have succeeded we are grateful—if we have failed we will be glad to have the Board remind us of what yet needs to be done.

Health

The health of the boys and girls at Barium Springs is good. Every year during January a general physical examination is conducted by two competent physicians. Careful notes are made and a follow-up on each suggestion is done for each child. This sometimes involves an operation or treatment done by local doctors or

(Continued on Page 2)

Fifty years of married life with Forty of them spent in the service of the Home.

FESTIVITY MARKS LOWRANCE GOLDEN WEDDING

Mr. and Mrs. J. H. Lowrance, who have been married 50 years this December and have lived in the Barium Springs community for 43 years, were honored at a golden wedding reception on Sunday afternoon, December 8, at their home. Hosts for the anniversary party were their two daughters, Mrs. J. E. Rhyne of Jacksonville, Fla., and Mrs. Rowe McNeely of Statesville and their son W. N. Lowrance of Asheville.

Welcoming guests at the door were Mrs. Julia McNeely of Badin, Mrs. Foster Matthews of Boonville; Miss Rebekah Carpenter and Miss Kate Taylor of Barium Springs.

Mr. and Mrs. Lowrance received in the living room with Mrs. Rhyne, Mr. and Mrs. W. N. Lowrance, and Mr. and Mrs. McNeely. Mrs. Lowrance, senior, wore cream lace over yellow satin and a corsage of yellow orchids. Mrs. Rhyne wore black lace and corsage of red carnations. Mrs. McNeely wore a red crystaline dress and white carnations.

In the dining room, the refreshment table was spread with a white nylon cloth, and across the front of the table were 50 golden bells, draped in three swags. The four-tiered wedding cake was topped with three golden bells, lace and an arrangement of yellow roses. Throughout the house were many bouquets of yellow, gold and bronze flowers.

The wedding cake was cut by Mrs. Paul Costner of Charlotte, Mrs. Harry Barkley of Statesville, Mrs. R. R. Collins and Mrs. A. B. McClure of Barium Springs. Serving punch were Mrs. A. M. Calhoun and Mrs. Ed Kyles of Barium, and Mrs. Allen Ketchie of Mooresville.

Invitation to the den was extended by Mrs. James Moss and Mrs. John McGrath of Jacksonville, Fla., Mrs. Billie D. Price of Statesville and Mrs. Hilda Horsman of Barium. The guest book was kept by Mrs. George Neel of Cherryville and Mrs. Brevard Price of Statesville. Receiving in the gift room were Miss Lucile Young of Troutman and Miss Leila Johnston of Charlotte. Others assisting were Mrs. Frank Ketchie and Mrs. Ralph Brawley of Mooresville, Miss Bruce Ann Parcell and Miss Pam Deaton of Statesville.

Mr. and Mrs. Lowrance were married in Mooresville on December 5, 1907. Both are originally from that community. Mrs. Lowrance is the former Miss Leila Frances McNeely. During the first seven years of their married life they lived near Mooresville, and then removed to

AWARDS AND LETTERS GIVEN TO FOOTBALLERS AT BANQUET

Barium Springs honored its football players at the annual football banquet in the school's dining hall.

Charles Ward, Randy Shaw and Jim Kiser were announced by Coach R. G. Calhoun as recipients of Barium's top football awards among varsity members.

Following a long-standing custom, the Tornadoes name a permanent team captain after the season. Charles Ward, a 140-pound senior and only returnee to the Tornado backfield this year, was named permanent captain of the 1957 eleven. Ward was hampered by injuries during the past season and was relegated to only punting duty in final games.

Randy Shaw and Jim Kiser were named dual recipients of Barium's Most Valuable Player Award. Shaw moved from the line to the backfield this season. A 163-pounder, he was Barium's top threat in the running unit. Kiser, who started this season at guard and then split duties in both the line and backfield, is a 154-pounder and turned in his best work defensively. Both boys will be back with the Tornadoes next season.

Calhoun presided over the banquet and addressed the large crowd, on hand to honor some 88 football players at Barium Springs, including the junior teams and varsity.

Some 55-60 boys were out for the junior squads and they had their day shortly before Thanksgiving. The boys were divided up into two teams of 100-pounders or less for one game and two more teams of over 100-pounds for another game. "We played from lunch until dark," Calhoun said in describing the big day for the juniors.

Barium's varsity, which played seven games, failed to pick up a victory, but valuable experience will be gained on the squad which will lose only five by graduation. Missing next year will be Back Harold Evans, Back Melvin McKenzie, Guard Peyton Miller, Back Charles Ward and Center Jim White.

Flu hurt the team's efforts in mid-season and left only a skeleton group to work with, Calhoun added. He especially praised the spirit and determined work of the boys.

All the boys in high school at Barium turned out for practice in August when the call went out for grid candidates. Calhoun said that never before in the history of Barium Springs had all boys in high school gone out for the squad.

Presentation of the squads was made after a T-bone steak dinner with all the trimmings. A group of the junior players rendered a special musical selection, along with a solo by Charles Ward.

Varsity players receiving letters were Richard Blackburn, Jim Blake, Buddy Cochrane, Harold Evans, Donald Frazier, Kenneth Joyner, Jim Kiser, Ricky McArthur, Melvin McKenzie, Richard McKenzie, Peyton Miller, Joe Ramsey, Randy Shaw, Charles Ward, Jim White and Wayne Wright.

COTTAGE NEWS

South Cottage

Hello Everyone —

We are back again with the news. All of us have been very busy trying out our new balls and other toys. We all had a very Merry Christmas and hope that you did too. Almost all of us got what we asked for at Christmas. Everyone in our cottage was fully awake early Christmas morning and could hardly wait until after breakfast. Santa Claus was good to all of us.

Good old 1957 has died, and the new year of 1958 has moved in. All of us are very sorry that our minister, Mr. Collins, and his family are leaving us in order to accept a call from Mexico, Missouri. Mrs. Collins and the two little boys will go out by plane and Mr. Collins will drive the car. Mr. Collins has been our pastor for a little over three years.

We have two birthdays in January: Gordon Brown's is January 2nd and Tommy Bush's is on January 22nd.

This winds up our news for this month and we hope to be with you the next time.

Miss Ford's Cottage

Hi Folks —

You must have thought we were lost. There have been so many things going on that we have not had much time to write, but it is now time for news not excuses.

We finally got our work schedule worked out. Mike Morgan, Tommy Joyner, Jerome Ruff, and Jimmy Hoover have been made members of the Royal Society of Cowkeepers. Dempsey Tyndall and Charles Ford are Pea-pickers and Walt Snead is our only Carpenter Shop boy.

UNDER THE STEEPLE - Nuggets of News

FROM LITTLE JOE'S CHURCH

REV. ROBERT R. COLLINS, *Minister*

The glow of Christmas still warms our hearts as I write this article. So much that was beautiful and meaningful happened to our family here during this glad season that we feel we shall receive an inner blessing from the remembrance of Christ's birth throughout the coming year. Another fine group of boys and girls participated in a pre-Christmas Communicants' Class and were received into the membership of the church, giving their hearts to Christ as their Christmas gift. The combined Choirs presented a lovely program of Christmas music, with the voices of over seventy-five of our boys, girls and adults singing familiar and traditional carols and songs. The Family Tree in the big dining room was another highlight as each made a gift, decorated the tree, and helped to bring the joy of Christ to boys and girls in the Belgian Congo where our church's missionaries, the Rev. and Mrs. L. A. McCutchen are working. Both the Pioneer and Senior High Fellowship groups had open house in the Fellowship Hall, with caroling, refreshments and fellowship before an open fire. The climax came on Christmas morning, when for the fourth year our entire family gathered Under The Steeple to worship our Saviour on the day of His birth. Once more we joined our hearts in worship and praise of Him who was born that we might have Eternal Life. As the early rays of Christmas day broke across the eastern sky, we returned to our cottages and homes with a renewed appreciation of the greatest of all gifts, the coming of God's Son!

All of this was of particular significance to me, for I knew it would be my last Christmas as pastor of Little Joe's Church. In my mind and heart there were many thoughts and feelings, but uppermost was a deep sense of gratitude to Christ for the great privilege that has been mine to be the pastor of His children here. For I know that long after I have assumed my responsibilities as pastor of the Presbyterian Church in Mexico, Missouri, I shall recall many happy memories of the rich experiences that have been mine as pastor at Barium Springs. As I leave, I thank God for allowing me to have some part in the molding of the lives of these boys and girls in the things of Christ. Now I join ranks with thousands of you who, though far away, love and pray for the fine family of God's people that gather each week to worship Him, Under the Steeple of Little Joe's Church.

SUPERINTENDENT REPORT

(Continued from Page 1)

by special appointment with physicians or through clinics where treatment can be offered. The Infirmary is under the direction of a registered nurse, and Dr. Thomas Griffin of Troutman is on call for the Infirmary and has office hours for the children. In addition, the facilities of Davis Hospital are made available to the Home for any service that needs to be rendered. Again, let me offer a word of praise not only for the services which the doctors, nurses and members of the administrative staff render our children, but the spirit in which they give it. A tenderness and an understanding that cannot be bought goes along with their service. Dr. Smith Kirk and the members of the Dental Committee are continuing to keep up the emergency work on the campus; and, as the Board will recall, Dr. Kirk, upon the completion of his special study at Chapel Hill, will again render us service at Barium Springs, adding his new knowledge in orthodontia.

Case Work

A detailed report has been placed in the hands of your Case Work Committee. The enrollment of the Home during the past year was around 200, reduced by reason of having two buildings out of operation. These two buildings are now replaced and occupied. There are spaces in the Home for additional children and we anticipate reaching its capacity of 250. We have many more applications than we have room to admit; therefore, we have to discriminate between the applications that are made and consider those which are within the rules of admission laid down by the Board, requiring that the children be a part of the Presbyterian family, or children for whom a local Presbyterian Church is responsible. The superintendent and the Case Work Department question seriously the wisdom of admitting pre-school children to the institutional setting. At present we will admit a child who is as young as three years, but we discourage the admission of children under school age as much as is possible. The Board members must of necessity already be aware that a Home of this size with only one case worker is far below normal, and that the department is seriously handicapped by reason of the excessive load. If we are to fulfill the generally accepted requirements of case work for this many children, it will be necessary to lay plans for the enlarging of the Case Work Department. Miss Rebekah Carpenter, the present case worker, is usually busy sixteen hours a day six or seven days a week. We just need more like her to help carry the heavy load.

Buildings and Grounds

One of the most discouraging features at Barium Springs is the condition of the buildings on the campus and on the farm. A tremendous sum of money would be necessary to repair these buildings satisfactorily. On the campus the personnel have been exceedingly fine in working under limited circumstances and with poor equipment. Every effort is being made to renovate or repair the buildings when money is available. During the year the two cottages replacing Annie Louise and Synod's have been completed and are now occupied. Each of these buildings, I believe, will be very satisfactory for living quarters for sixteen children and two adults. The people who are now housed there find a satisfaction in living in these new quarters. The Board will hear from the chairman of the Buildings & Grounds Committee about the home where the superintendent lives which should be known as "Jackson's Mansion."

Burwell Cottage has had some repairs. A new roof has been put on and the front porch which was falling in has been restored. A new furnace and stoker was installed and that house is now ready for operation and can house two families. The Laundry has been repaired and the new equipment has been purchased and installed. A furnace was installed at the Clendenin house and roof and gutter work was done on several of the cottages on the campus.

Finances

The operation of the Home has been kept within the approved budget for the year October 1st, 1956 through September 30th, 1957. Some expenditures authorized were not made because of circumstances prevailing at the time preventing a right choice of materials and the proper purchase price. These unexpended sums will appear in the new budget request for new authorization in the coming year. The Board will be able through the report of the treasurer, the Finance Committee, and the Auditor, to get a complete picture of the financial structure of the Home. It is interesting to note that at the very time a necessity arises at Barium some provision, oftentimes made years before, will become manifest and the needs of the Home continue to be met. This is further evidence that the hand of the Lord provides for the operation of this place.

Farm, Dairy and Orchard

These four units of the Home are called the productive enterprises and at the present time they are producing well, but it is also my conviction that future planning should be a real concern of the administration of the Home. The farm, gardens, dairy, and orchard could be so coordinated and inter-related in the use of machinery and staff that a greater production could be obtained without extra cost. This is a big operation and calls for carefully chosen leadership. The head of this department must have a broad knowledge in this field as well as practical experience. He should have understanding of soils and modern farm procedures, a knowledge of the dairy and beef herds, of irrigation and truck farming, and a knowledge of orchards and fruits. This is not to say that the present leadership in the operation is unsatisfactory. Each man in his department is to be commended, but his department could be benefited by a fuller coordination. Nor is this any reflection on the leadership of the present farm manager, but time moves on with retirement age moving ever closer, and when that time comes the Board and superintendent should be ready, having agreed on policy and procedure.

Religion

Corporate worship services held each week are the Church School, the Sunday Morning Worship Service and the Mid-Week Prayer Service. The Church School classes are graded and enrollment for all departments from Kindergarten through Adult Classes is 217. In the Youth Groups which meet on Sunday evening the average attendance for the Senior High Fellowship last year was 34. The average attendance for the Pioneer Fellowship last year was 40. Miss Charlotte Calhoun, assisted in her work by Miss Shirley Kearns, the teacher of piano, has a number of choirs which are used in various ways in the service of worship. The Chancel Choir is composed of high school boys and girls and adults; the Intermediate Girls Choir, composed of sixth, seventh, and eighth grade girls, sings on special occasions. There is a Junior Boys' Choir

SUPERINTENDENT REPORT

(Continued from Page 2)

of the fourth and fifth grades, and a Junior Girls' Choir of the same grades.

In 1956 twenty-nine children were received into membership from the communicants classes, and in 1957 seventeen children have been received into membership of the church. Some of the boys and girls who have come to the Home were already members and have been received by certificate. Through the generosity of friends, the boys and girls of the Pioneer and Senior High Fellowship groups have had access to the summer camps and conferences. Last summer 24 Pioneers attended and twelve Senior High Fellowship members were at Camp Grier. The Youth Groups take a regular part in the Presbytery's programs for youth.

While a fine program of religious instruction does prevail in the church, in the school, and in the Home, it is the opinion of the minister and the superintendent that there is much yet to be done for the Christian nurture of the boys and girls. Perhaps the Home could best serve these needs through a graded program of instruction in the Elementary School through the whole of the week. This idea has already been approved by the Board and as soon as a competent person can be obtained, this work will be carried out.

School

In the school year which closed in May the freshmen and sophomores finished their first year at Troutman, and the school year beginning in September found the whole high school at Troutman. This naturally brings about change. Formerly, the life of the Home revolved largely around the activities of the high school. Since this has been removed from the campus, it has been necessary to find again a new center to establish a morale for the Home. The varsity athletic program having continued as a Home unit does assist in keeping up a unified esprit de corps. This transition has been much easier than we had anticipated. This does not mean that there are not serious matters which have to be adjusted, but it does mean that there has been an effective procedure which has brought about a good wholesome relationship. It is the intent of the superintendent to coordinate the life of the Home and the life of the community so that we can have a fairly normal relationship with the community activities.

As for the Elementary School on the campus, let the principal, Mr. R. G. Calhoun, speak through his report:

"Since the High School students are now attending school at Troutman, it is possible for us to set up a better organization for our Elementary School. The sixth, seventh, and eighth grades are being housed in the old High School building where there is ample room for the teaching of music and science, together with the great advantages of a good central library. It is hoped that a central library may be set up in the Primary Building now being used by the first five grades. We will then be using all rooms in that building as the teaching of piano is carried on in one of the rooms. This new organization should relieve the cramped conditions heretofore experienced and present a better teaching situation in our Elementary School.

The 99.3 per cent attendance figure for the last school year, and the 99.6 percent figure for the first month of this year attest to the continued good health of our boys and girls. All of our students have had three polio shots and the yearly check-ups with follow-up work are factors in our health program. All students are having their vision checked this fall in order that proper examinations and corrections may be made as soon as possible.

Interest and enthusiasm in our music program continues at a high pitch. It is encouraging to see boys and girls eager to sing in special groups or in a church choir. The quality of singing also improves with their enthusiastic response. It is a good sign when students look forward with great anticipation to taking part in a school or church performance. The primary grades are working busily in a Rhythm Band and they should be ready to present a program during the coming year.

Finally, let me say that the spirit and enthusiasm in our football program is unusually high this year. For the first time on record all high school boys reported for football practice this fall and a large squad of Elementary boys are working out twice a week. It may be that the fine record of our boys' basketball team last winter added some incentive for greater participation."

It is with thanksgiving to Him that we report our work, and offer a prayer for God's continued blessing upon the Home in all its life and work.

Albert B. McClure, Supt.

COTTAGE NEWS

(Continued from Page 1)

The holiday season has left us all smiling and happy. The bags of candy which Mr. Stowe brought us were as big as the Baby Cottage children. Santa Claus brought us more than ever. All Benny Joyner could say when he saw all his presents was—Great Guns!

We are all making New Year's resolutions. We say we are going to sweep our rooms and make our beds, hang up our clothes, and get to school on time. When we asked Miss Ford what were her resolutions she said that she wasn't making any—she will have enough trouble making us live up to ours.

We all hope that you had a Merry Christmas and a Happy New Year. We did.

FESTIVITY MARKS LOWRANCE GOLDEN WEDDING

(Continued from Page 1)

Barium Springs, where Mr. Lowrance was buyer for the Presbyterian Orphans Home for 40 years. He retired three years ago.

The couple have eight grandchildren: Mrs. J. A. Moss and Mrs. J. J. McGrath, both of Jacksonville, Fla.; Bill Fred and Connie Lowrance of Asheville; Ann Parcell, Jane and Rowena McNeely of Statesville. There are two great grandchildren, Sharon Lee Moss and Joe Kenneth McGrath of Jacksonville.

Some 175 friends of the couple called between 3 and 5 o'clock. Mrs. R. A. Stowe of Jacksonville, Fla., was among the many out-of-town guests.
